Welcome to the Foundation's online grant portal.

**New Users:** Please click on "Create New Account" to complete the registration process and create your logon credentials.

**Existing Users:** Please enter your credentials and log in. If you forgot your password, please use the "Forgot your Password" link to the left to reset your password.

**Not Sure?** If you think that you have already registered in the system, do not create a new account. Please contact our Administrator, at [example@email.com](mailto:example@email.com) to receive your username and password.

2. The next page asks you to confirm that you've received a confirmation email. (This step is important to make sure that you can receive other emails about your scholarship applications and possible awards.)

- a. You'll want to use your personal email for your account, so you are able to check it after graduation from your high school.

## Applying

1. Use your new account to logon, click **Apply** in the top navigation bar

## Applicant Dashboard

1. Click **Apply** next to an opportunity to begin an Application.

1. If the Application has a due date, you will see it listed at the top of this form.

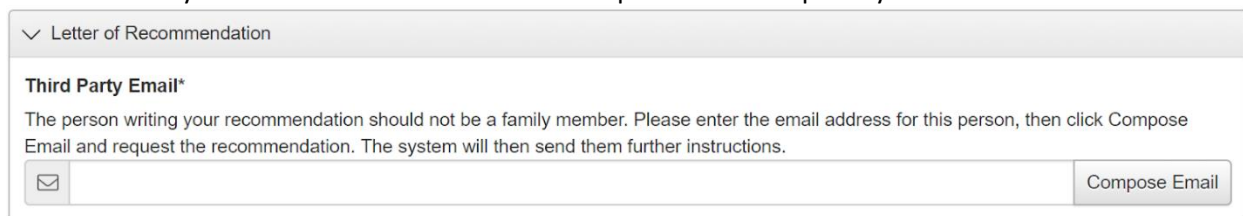

Application Application Packet Question List

Due on 02/01/2020 05:00 PM MST.

Fields with an asterisk (\*) are required.

1. The Application may contain sections to be completed by another person, for example someone who will write you a letter of recommendation or upload a transcript for you.

Letter of Recommendation

**Third Party Email\***

The person writing your recommendation should not be a family member. Please enter the email address for this person, then click Compose Email and request the recommendation. The system will then send them further instructions.

Compose Email

After typing in the email address for the person who will complete that section for you, click **Compose Email**. The system will then send them an email with a link to complete the questions in that section. You can see whether or not they've been completed.

5. The system will autosave your work on the Application after every 100 characters you type or when you click into the next question. You can also click **Save** if you need to leave the site before you're done. When you return to the site, click **Edit Application** from your dashboard to return to the form.
