

# Meet... Lori Gropp

Lori Gropp is retired from Marshfield Clinic Health System where she was Academic Business Systems Manager & Patient Education and Library Manager for the Marshfield Clinic, Division of Education. Prior to this position she served as the Chief Financial Officer for Automated Products and Regional Chief Financial Officer for Associated Bank and was an auditor for two local CPA firms. In addition to being a member of the Marshfield Area Community Foundation Board, Lori is also a Director for a Forward Financial board. Community involvement has always been important to Lori, she has served on the following Boards: United Way, MACCI, Ministry St Joseph's Hospital, Wildwood Park Zoological Society, Marshfield YMCA, and Marshfield Library Foundation. Lori has been a lifetime resident of Marshfield where she lives with her husband Jake. They have 3 married children and 5 grandkids. Lori enjoys time with her family and friends, kayaking, travel, and exercising. Marshfield is very important to Lori which is why she feels passionate about the impact that the Marshfield Area Community Foundation can have to organizations and the individuals they assist in the Marshfield area now and in the future.
