

# MICK SCHIER SCHOLARSHIP

Mick was a flight instructor at the Marshfield Municipal Airport. He loved to fly!

And he enjoyed sharing his passion of flying with everyone he met. He would often talk about how he sheered sheep to raise money for his flight lessons.

“WE HAVE A MISSION”

Mick could often be heard saying that phrase when he had a game plan on how to help a student learn to fly. He taught everything from beginning students, to future flight instructors. Mick would love to see that the local people of Central Wisconsin are continuing in his footsteps following their dream to fly..

Need help making your flying dream come true? Please complete this application to apply.
